

Alabama US Navy Veterans Lung Cancer Advocate Has Endorsed the Law Firm of Karst von Oiste To Help with Compensation for a Navy Veteran Who Now Has Lung Cancer in Alabama Because of Asbestos Exposure

MONTGOMERY, ALABAMA, USA,
November 12, 2019 /

EINPresswire.com/ -- The Alabama US Navy Veterans Lung Cancer Advocate says, "Most people in Alabama with any type of lung cancer-who also had heavy exposure to asbestos at work or while serving in the navy could receive significant financial compensation-but most do not-because they or the their family members did not realize the asbestos trusts were set up for them too.

"If you now have lung cancer and you had heavy exposure to asbestos at work or while serving in the US Navy-or this is your loved one please call us at 800-714-0303. We would be honored to try to help. Compensation for people with asbestos exposure lung cancer can frequently exceed \$100,000."
