

# Magi Helena, Acclaimed Astrologer, Releases Her Astrology Forecast for Thanksgiving

*Magi Helena reveals all in her new forecast for the upcoming holiday.*

LOS ANGELES, CA, UNITED STATES,  
November 16, 2019 /

EINPresswire.com/ -- How do the stars align for the Thanksgiving holiday? Very well on the day itself, not so well in the days leading up to Thanksgiving, according to acclaimed astrologer Magi Helena.

"During Thanksgiving week, a Sun-Lilith parallel in the Geocentric Declinations dampens spirits, while a Grand Cross in the Heliocentric Longitudes with Mercury, Sedna, Lilith and the Saturn-Chiron midpoint could create potentially-heartbreaking issues with communication," warns Magi Helena. "Keep it clean and keep it clear on these difficult days, keep a low profile, and don't stir up any trouble. If you are preparing to entertain for Thanksgiving, plan, shop, and cook well ahead, keep your attitude positive, and know that the stars shift into better patterns by Thanksgiving day."

Helena continues, "On Thanksgiving day, a Sun-Pallas conjunction in the Geocentric Longitudes should help things go as planned; Earth enhancements by Jupiter in the Heliocentric Longitudes – both in Zodiac 12 and in Zodiac 7 – should help keep things smooth and upbeat. So, despite a difficult lead-in to the holiday, you can expect a fairly laid-back and relaxed celebration."
