LOS ANGELES, CALIFORNIA , USA, January 17, 2020 /EINPresswire.com/ -- The California US Navy Veterans Mesothelioma Advocate is urging a Navy Veteran with mesothelioma in California to call them anytime at 800-714-0303 for direct access to attorney Erik Karst of the Karst von Oiste/KVO law firm-especially if the Navy Veteran served on a submarine. According to the California US Navy Veterans Mesothelioma Advocate, "If you are a Navy Veteran with mesothelioma in California or any other state please call us anytime at 800-714-0303. Unlike surface ships there is way no way for crew members on navy submarines to avoid asbestos exposure prior to 1980. Navy Veterans who served on a submarine or were a machinist mate/boiler technician are probably at the top of the list when it comes to mesothelioma compensation results that frequently exceeding a million dollars.

"To make certain a Navy Veteran receives the very best possible compensation we offer a free service designed to ensure a Navy Veteran properly documents their exposure to asbestos. We call this service the list and it helps answer the how, where and when a Navy Veteran was exposed to asbestos. It is this incredibly important information that becomes the basis for a mesothelioma compensation as we would like to discuss anytime at 800-714-0303."
