MSP Recognition for Excellence Awarded to ITsavvy

For the sixth year since 2014, ITsavvy was named to CRN's 2020 Managed Service Provider (MSP) 500 list in the MSP Elite 150 category.

ADDISON, ILL., U.S., February 21, 2020 / EINPresswire.com/ -- For the sixth year since 2014, ITsavvy, one of the most respected complete technology solution providers in the U.S., was named to CRN's 2020 Managed Service Provider (MSP) 500 list in the MSP Elite 150 category. CRN is a brand of The Channel Company. This exclusive list identifies North American solution providers that deliver operational efficiencies, IT system improvements, and a higher rate of return on investments for their clients.

In addition, ITsavvy was recognized for expert client guidance and developing cutting-edge solutions for complex IT issues.

Bob Skelley, CEO of The Channel Company, said, "MSPs are the critical bridge for clients looking to assess, implement and migrate their IT and cloud solutions to drive efficiencies, lower costs and secure client environments. On behalf of our team at The Channel Company, I want to congratulate the accomplished companies on CRN's 2020 MSP 500 list and thank them for their commitment to finding innovative solutions that move the IT channel forward."

The annual list is divided into three categories: the MSP Pioneer 250 (focused primarily on the SMB market); the MSP Elite 150 (large data center-focused on- and off-premises); and the Managed Security 100 (off-premises-focused, cloud-based IT security services).

ITsavvy President and CEO Mike Theriault said, "For six years now, CRN has officially recognized the outstanding managed services and exceptional value we provide. We are continually expanding our portfolio of managed services to accommodate the needs of our clients and present them with solutions that far exceed what the rest of the market can offer."

The MSP500 list will be featured in the February 2020 issue of CRN and online at www.crn.com/msp500.
