"We fear that because of the Coronavirus-COVID19 many people with mesothelioma were initially diagnosed with pneumonia rather than mesothelioma. Because of this rather than being diagnosed with early stage mesothelioma the person was diagnosed with late stage mesothelioma as we would be happy to discuss at 800-714-0303." www.karstvonoiste.com/

Coronavirus /COVID-19 update for people with confirmed mesothelioma from the Mesothelioma Victims Center: "We are extremely concerned that a Navy Veteran or person with mesothelioma will not begin the mesothelioma compensation process because of the Coronavirus/COVID-19 or they will reach out to a local car accident attorney who has little to no experience doing mesothelioma compensation claims. We have endorsed attorney Erik Karst the founding partner of the law firm of Karst von Oiste to ensure a Navy Veteran or person with mesothelioma receives the best possible compensation results nationwide. Erik Karst is one of the nation's leading mesothelioma attorneys and he will know exactly how to help you or your loved one.
