

Crown Uniform and Linen Announces New Post on Healthcare Linen Service Issues for MA NH ME RI and CT

Crown Uniform and Linen is announcing a new post on linen service issues in key New England states as society begins to reopen.

BOSTON, MASSACHUSETTS, US, July 3, 2020 /EINPresswire.com/ -- Crown Uniform and Linen, a best-in-class uniform and [linen service](#) supporting New England states including Massachusetts, Connecticut, New Hampshire, and Rhode Island at <https://crownuniform.com/>, is proud to announce a new blog post on healthcare linen service priorities as society reopens after the Coronavirus Pandemic. New requirements are spurring all types of businesses, including doctor's office, dental practices, and all types of healthcare businesses, to increase the demand for linen services.

“

We are excited to lead the way in the linen service industry to a safe reopening of businesses including healthcare businesses.”

Plato Spilios

“We are excited to lead the way in the linen service industry to a safe reopening of businesses including healthcare businesses in our core states such as Massachusetts, Rhode Island, Connecticut, Maine, and New Hampshire,” explained Plato Spilios, Co-President at Crown. “Our new blog post touches on some of the issues we find as healthcare and medical industries not only reopen but increase capacity.”

Interested persons can read the new post at <https://crownuniform.com/coronavirus-means-that-the-healthcare-sector-needs-even-more-linens/>. The post explains how not only restaurants and other public-facing businesses face challenges but how New England healthcare and medical

businesses such as doctor's offices and dental practices need to increase their demand for linens. An example would be that many dentists now change their uniforms between every patient, thus substantially increasing the need for cloth-based uniforms. Crown Uniform provides best-in-class linen services for all of medical, from the largest hospitals in Boston, Providence, and Nashua to much smaller medical establishments. Many doctors and dentists are exceedingly happy when they find a local linen service that can cater to their needs. Persons who want to dig deeper into Crown Uniform's medical and healthcare linen service offerings are encouraged to visit their informational page at <https://crownuniform.com/healthcare/>.

WORKING TO GET NEW ENGLAND BACK TO WORK

Here is the background on this release. The New England states such as Massachusetts, Rhode Island, Maine, Connecticut, and New Hampshire are in the midst of a grand but safe reopening. Crown Uniform is working with all its partners to ensure that it participates in the safe reopening of New England society. Indeed, Crown would like to draw attention to Purafier at <https://purafier.com/>, which is a Massachusetts-based [hand sanitizer](#) manufacturer. Purifier and Crown, together, offer New England businesses a "one stop shop" to beef up their sanitization and cleanliness protocols. Interested persons are urged to visit the websites and reach out for a no obligation consultation on how Crown can help them revitalize their business in this new environment.
