Espresso machine or Espresso coffee machine is a kind of coffee machine.

DeLonghi, Jura and Philips (Saeco) are the top three Revenue share spots in the Espresso Machines market in 2016. DeLonghi dominated with 34.00% revenue share, followed by Jura with 17.85% revenue share and Philips (Saeco) with 10.14% revenue share.

The technical barriers of espresso machines are high, and the core technology of espresso machines concentrates in relative large companies including Panasonic, Nestlé Nespresso, Jarden, Delonghi, Electrolux, Melitta, Morphy Richards, Philips, and Hamilton Beach. These companies mainly concentrate in USA, Europe. However, more than 80% of coffee machine are mainly produced by the Chinese enterprises for OEM.

Europe is largest region for the global automatic espresso machines market. Developed countries in Western Europe are predominantly the major markets for automatic espresso machines. The high purchasing power of consumers in Europe coupled with a growing interest in adopting technologically advanced kitchen appliance products will drive the market. Countries such as the UK, Italy, the Netherlands, Germany, France, and Russia are already major consumers of the automatic espresso machines market. Europe will continue to dominate the global market, with Eastern Europe also expected to witness considerable progress in terms of demand. The rise in disposable income of lower and middle-income segments in countries like Russia and Poland will drive the market in this region.
