

# British Army and UK MoD to Provide Comprehensive Briefings at Future Armoured Vehicles Survivability 2020

*The British Army's Head of Ground Manoeuvre Capability, Brigadier Jon Swift, is among UK experts set to speak at Future Armoured Vehicles Survivability 2020*

LONDON, UNITED KINGDOM, August 4, 2020 /EINPresswire.com/ -- [Future Armoured Vehicles Survivability 2020](https://www.einpresswire.com/news/future-armoured-vehicles-survivability-2020), taking place in London this November, will provide a platform for programme and platform managers, capability directors, military commanders, senior engineers and chief scientists to discuss what is being done to protect armoured vehicles and their personnel.

The event will feature presentations from speakers from across the globe, with confirmed representation from 9 nations, including the UK, the US, Australia, Germany, Israel, Turkey, Norway, Sweden and Romania.

As the [only armoured vehicles event](https://www.einpresswire.com/news/future-armoured-vehicles-survivability-2020) dedicated to the area of survivability, Future Armoured Vehicles Survivability 2020 will be a key diary date for all those in the industry.

Interested parties should register by the 30th September to save £100 with the early bird discount: <http://www.favsurvivability.com/EINpr4>

Among the senior speaker line-up is a range of UK experts, including The British Army's Head of Manoeuvre Capability, Brigadier Jon Swift.

SMi presents the 6th annual...

**FUTURE ARMoured VEHICLES SURVIVABILITY**
