

Vermont Mesothelioma Victims Center Appeals to the Family of a Navy Veteran with Mesothelioma in Vermont to Take Compensation Seriously and to Call Attorney Erik Karst of Karst von Oiste for Serious Results

BURLINGTON , VERMONT, USA,
October 21, 2020 /EINPresswire.com/ --

The Vermont Mesothelioma Victims Center says, "We are appealing to the family of a Navy Veteran with mesothelioma in Vermont to take compensation seriously and to call attorney Erik Karst of the law firm of Karst von Oiste at 800-714-0303. Erik Karst is one of the nation's leading mesothelioma lawyers and will know exactly how to help a Navy Veteran or family dealing with this rare cancer caused by asbestos exposure. Mesothelioma compensation for a Navy Veteran with mesothelioma might exceed a million dollars-provided the Veteran or their family hire a lawyer and legal team that know what they are doing.

"The reason we are reaching out to the family of a Navy Veteran with mesothelioma in Vermont is because the average age of a person with mesothelioma in the US is 72 years old-and by the time they

are diagnosed-they are very ill. Rather than ordering a 'free' booklet about mesothelioma and or calling a lawyer call center-please call attorney Erik Karst of the law firm of Karst von Oiste at 800-714-0303. Erik has been helping Navy Veterans with mesothelioma for decades and he and his colleagues are responsible for over a billion dollars for people like this. The call to Erik Karst of the law firm of Karst von Oiste is no obligation-and it is worth your time."
