

What are the 101 spiritual tools that can help to get us through these uncertain times?

Author, Speaker, and TV Host Jennifer K. Hill releases her second book to serve as a compass to help people find their center

LOS ANGELES, CA, UNITED STATES, October 21, 2020 /EINPresswire.com/ -- In April of 2020, Hill found herself terribly ill, all alone, and quarantined in London thousands of miles away from friends and family with no one to turn to. The only solace she had were the [101 spiritual tools](#) she had learned from her teachers such as Dr. Deepak Chopra, Reverend Michael Beckwith, and David Ghyam. A few of these tools include: meditation, inner-child work, and gratitude.

It was her daily spiritual practices that got her through this period, and now Hill shares these tools in her new book "101 Spiritual Tools for Uncertain Times." Book one in the series was written during her time quarantined in London and was released on May 12th, 2020.

She is already 75% of the way done with the second book in the series, which is due to be released early next year.

“

Our words are our paintbrushes that allow us to create the world we live in. Without words to describe our world, there is nothingness.”
