INDIANA, UNITED STATES, December 11, 2020 /EINPresswire.com/ --

[Smokers Host](#), the [local cigar shop](#) franchise known all around Indiana, introduces the Cigar Vault, a new premium walk-in humidor, in 6 locations. Since 2002, they have been employee-owned providing their products all over Indiana.

Cigar Vaults can be found inside the Smokers Host local cigar shop locations in Crawfordsville, Greenfield, Martinsville, Monticello, Mooresville, and Washington, Indiana. The company [website](#) invites people to “check out our selection” and their products are “guaranteed fresh.”

A look around the Smokers Host local cigar shop showcases two or three main areas. Most have two areas. The shops with Cigar Vaults have three.

The first space is “the counter”. On, around, or behind the counter is where tobacco products are found. All patrons must be age 21 or over to enter or purchase anything from the shop.

The second space is “the wall”. Here is where ashtrays, lighters, cutters, hookahs, and other accessories are found. Anyone working behind the counter can help customers navigate the wall. Store associates are friendly and knowledgeable.

Then, at select locations, there are the humidors. These are also called the Cigar Vaults. They are well-stocked and offer lots of premium brands that are guaranteed to be fresh. There are new additions to the humidors all the time so visiting often is strongly encouraged.

The atmosphere is casual as each Smokers Host local cigar shop offers “quality for less”. However, there is a warm distinction inside the shop that makes every customer feel like a VIP when they come in. The staff aims to get each customer’s purchase just right.
