

Thoughts on Managing Post-Pandemic Investment Risk in New Advice Chaser Webinar

With the unpredictability after COVID, how can investors mitigate risk? Join the webinar "Constancy Amid Change: Managing Investment Risk in 2021 and Beyond."

NEW YORK CITY, NY, UNITED STATES, February 23, 2021 /EINPresswire.com/ -- As more people are vaccinated and the economy begins to open up again after the COVID-19 pandemic, experts speculate that some industries will bounce back quickly, while others will take much longer to recover. With so much unpredictability, how can investors mitigate risk? Join the webinar "Constancy Amid Change: Managing Investment Risk in 2021 and Beyond." The event will premier at 12:00 noon Mountain Time. You can [register for the webinar here](#).

“

We're excited to hear what experts foresee for the rest of 2021. Mr. Thomas will cover how to analyze current trends and past data to make wise decisions in asset allocation and risk management.”

*Megan Coelho, President of
Advice Chaser*

Advice Chaser, a service that introduces clients to experienced financial advisors, will host the webinar. The main speaker will be Rob Thomas, CFA, CFP, CFS. Rob is the Managing Director at Mariner Wealth Advisors. Forbes

named Rob one of the best-in-state wealth advisors in Pennsylvania for 2021. With more than 20 years of experience in wealth management and financial planning, Rob will offer tips for managing investment risk based on what experts foresee as we emerge from a global pandemic. Here's what you can look forward to:

- >>Trends in residential investment, GDP, and consumer spending over the last several years, which may offer clues for the upcoming year
- >>How vaccination rates across the world could affect the value of the US dollar
- >>How Treasury rates may change and how those changes will affect your investments
- >>Expected predictions for inflation, unemployment rates, and corporate profits
- >>The differences between economic growth and economic momentum

“The economy and markets have had quite the year. We're excited to hear from Rob Thomas on what experts foresee for the rest of 2021. Mr. Thomas's presentation will cover how to analyze

current trends and past data to make wise and prudent decisions in asset allocation and risk management," said Megan Coelho, President of Advice Chaser.
