

Oregon Mesothelioma Victims Center Appeals to a Navy Veteran with Mesothelioma in Oregon To Not Fall for a Car Accident to Help with Compensation and to Call Attorney Erik Karst of Karst von Oiste for Better Results

PORTLAND, OREGON, USA, April 19, 2021 /EINPresswire.com/ -- The Oregon Mesothelioma Victims Center says, "If you are a Navy Veteran anywhere in Oregon and you have just been diagnosed with mesothelioma and or this is your family member please call attorney Erik Karst of the law firm of Karst von Oiste anytime at 800-714-0303 to discuss what might turn out to be significant financial compensation. Compensation for people like this might exceed a million dollars. Erik Karst is one of the nation's most experienced mesothelioma attorneys and he will know how to help you. Attorney Erik Karst of the law firm of Karst von Oiste is a much, much better option than a local car accident attorney-who probably does not know what they are doing.

"As attorney Erik Karst of Karst von Oiste is always happy to discuss-mesothelioma compensation is based on how, where and when a person with this rare cancer was exposed to asbestos. In most instances a Navy Veteran with mesothelioma would have been exposed to asbestos while

serving on their ship, submarine or at a shipyard where their ship, or submarine was undergoing repairs. The average age for a person with mesothelioma in the United States is 72 years old and their exposure to asbestos took place in the 1950s, 1960s, or 1970s. For direct access to attorney Erik Karst of Karst von Oiste please call 800-714-0303."
