SHERMAN OAKS, LOS ANGELES CA, USA, March 17, 2021 /EINPresswire.com/ -- Attorney Eduard Braun, owner of the successful Law office of Eduard Braun, announced his recent business expansion that will cover all of Los Angeles County this year. Attorney Braun specializes in assisting clients with [personal injury accidents](#) and related issues to get quick financial help for medical bills, wage loss recovery, and pain as soon as possible.

What's in it for You?

Attorney Eduard Braun has two decades in the healthcare industry and knows how insurance companies operate, which can be notoriously slow. This gives you peace of mind while you get your medical injuries and living expenses paid.

Injury and Deaths from Vehicle Accidents–The Statistics

In 2020, despite the COVID-19 pandemic, there were 42,060 motor-vehicle deaths, an increase by eight percent from 2019, which recorded 39,107 deaths nationwide, according to the National Security Council (NSC) website. Non-fatal vehicular injuries in 2020 amounted to 4,795,000.

Senate Bill No. 41, approved by California's Governor Gavin Newsom in 2019, presents in Chapter 136 that damages for lost future earnings in cases of [personal injury](#) or wrongful death, cannot refer to race, ethnicity, or gender. Women and other minorities have suffered in previous years when different calculation tables assigned to these minorities, provided lesser awards than what men received in similar cases, according to a Stanford Law School blog.
