ATLANTA, GA, UNITED STATES, April 7, 2021 /EINPresswire.com/ -- Medium Blue B2B Search Engine Marketing, a leading Atlanta digital marketing company, has been named one of the top 25 SEO companies for 2021 by Agency Vista, a prominent, global online resource for those looking to connect with top marketing agencies.

Agency Vista's top 25 SEO Company list is based on a variety of client-oriented factors, and the company does not accept promotional fees or advertising in exchange for consideration. "This isn't a subjective list based on an agency's top clients leaving reviews, like other lists in the industry," explains Agency Vista's Head of Marketing, Brittany Garlin. "As the largest marketing agency network of 45,000+ agencies in over 230 countries, Agency Vista analyzes multiple verified data points to determine which businesses should be recognized for meeting the highest standards of performance and service."

"We thank Agency Vista for naming Medium Blue one of the top 25 SEO companies for 2021," said Scott Buresh, Founder and CEO, Medium Blue. "We are especially gratified that we are the only company on the list that focuses exclusively on business-to-business marketing."
