Featured in prominent media outlets including Forbes, Newsweek, Marie Claire, Refinery 29, Well + Good, and Men's Health, Life Elements has a distinguished reputation for delivering the cleanest and most efficacious nature-based ingredients, sourced ethically and sustainably, to promote overall health and wellness. The release of the Life Elements CBD Bath Salt Collection further demonstrates the company's rise as a key player in the growing CBD beauty, bath and body skin-care industry.

The Life Elements CBD Bath Salt Collection is 100 % Vegan, made with Magnesium Chloride, colloidal oatmeal, bioavailable natural essential oils and high levels of broad spectrum CBD, creating a potent combination shown to improve skin irritation and provide intense pain relief:

- Magnesium Chloride flakes (vs. Magnesium sulfate/Epsom) are less toxic to human tissue and easily absorbed to provide long lasting relief from muscle soreness, joint pain, migraines, period cramps, and skin conditions.
- Colloidal oatmeal helps calm dry, scaly, itchy, skin.

- Bioavailable natural essential oils are water soluble for effective body absorption with aromatherapy properties to reduce anxiety, headaches and support sleep.
- Broad Spectrum, hemp-derived CBD does not contain THC and has an “entourage effect” that works with different compounds within the plant to improve efficacy.

By blending these components with additional time-honored, ancient ingredients, Life Elements presents its CBD Bath Salt Collection with three very distinctive usage scenarios along with the choice of 3 different CBD strengths for each product (200mg, 250mg & 300mg CBD per single-use bag):

Lunar CBD Bath Salts: Made for moon bathing rituals and intention-setting, with a blend of essential oils to promote deep meditation and relaxation. Ingredients: Magnesium, baking soda, citric acid, Oatmeal, CBD, Patchouli, Palo Santo, Frankincense, sage, ylang-ylang

Recovery CBD Bath Salts: For powerful relief from aches, pain, soreness, or stress, made with essential oils to reduce muscle tension. Ingredients: Magnesium, baking soda, citric acid, oatmeal, CBD, eucalyptus, menthol

Period CBD Bath Salts: Formulated with uplifting scents of citrus to elevate moods, and soothing ingredients to alleviate cramps. Ingredients: Magnesium, baking soda, citric acid, oatmeal, CBD, copaiba, cajeput, eucalyptus, ginger, peppermint
