

The Deputy Commander of the Air Mobility Command, US Air Force to Speak at Military Airlift & Air-to-Air Refuelling 2021

SMi Group reports: The Air Mobility Command of the U.S. Air Force has confirmed to speak at the Military Airlift & Air-to-Air Refuelling conference.

LONDON, LONDON, UNITED KINGDOM, July 23, 2021

/EINPresswire.com/ -- In recent news, the U.S. Air Force's (USAF) Air Mobility Command (AMC) has premiered a proof-of-concept for a next-generation all-domain command and control platform during its Mobility Guardian 2021 exercise, which took place in May and served as a proving ground for AMC's first large-scale integration of an 'Advanced Battle Management System' (ABMS).

Mobility Guardian provides a realistic training environment for more than 1,500 Mobility Airmen to hone their skills in delivering Rapid Global Mobility in current and future conflicts. *Source

With this in mind, SMi Group is delighted to announce that the Deputy Commander of the Air Mobility Command, US Air Force, Lieutenant General Brian S. Robinson will present a keynote briefing at SMi Group's [22nd Annual Military Airlift and Air-to-Air Refuelling Conference](#), taking place in London, UK on 30th November and 1st December 2021.

For those interested in attending, there is a £100 early bird discount available until 30th September. Register online at <http://www.military-airlift.com/PR2>.

Lieutenant General Brian S. Robinson will be presenting on "Air Mobility Command: Providing
