Webinar details for the Advice Chaser event on understanding financial risk

This webinar is part of a series on fundamentals of personal finance. Advice Chaser, a service that matches clients with experienced financial advisors, will host the event. The event will cover common pitfalls that people tend to make in their financial lives. We'll discuss topics such as:

- 12 common ways that professionals lose money
- What you should know about life insurance
- How to plan for sales tax when you sell a house or sell a business
- Things to consider when getting auto and home insurance, and rules of thumb for P&C liabilities
- Why you should start planning for retirement and long-term care now
- Strategies for mitigating risk in investments

"The average American has worked hard and saved hard to achieve a stable and fulfilling life, but

many of us are not familiar with basic financial concepts that can make all the difference for a secure future," said Megan Coelho, President of Advice Chaser. "Understanding financial risks will help everyday investors avoid common pitfalls and start thinking about their long-term financial stability."

The most common financial mistakes will be discussed in this webinar, but to get personalized financial advice, talk to a financial advisor. Advice Chaser can connect you with a financial advisor who has specific experience in working with people in your situation. Whether it's paying off student loans, managing your credit, or planning for retirement, your goals will be more achievable the sooner you start thinking about them.
