loved one. Mesothelioma compensation for a Navy Veteran with this rare cancer might be in the millions of dollars depending on the specifics of how, where and when they were exposed to asbestos. The more specifics about their navy asbestos exposure the better the chances of a significant compensation settlement as attorney Erik Karst is-always more than happy to discuss.

“If we had one incredibly important tip for a Navy Veteran with mesothelioma in Mississippi or anywhere in the

nation and or their family members it would be try-to create a list in as much detail as possible of the Veteran's various exposures to asbestos on a navy ship, submarine or at a shipyard. It is this information that will become the basis for their mesothelioma compensation claim as attorney Erik Karst of Karst von Oiste is always happy to discuss anytime at 800-714-0303.”
