With the event, Maestro Cares Foundation hopes to form part of the Houston community and raise crucial funds to continue their mission of improving the quality of life of disadvantaged children and communities in Latin America and the United States. Art of the World Gallery also has agreed to donate 5 percent of its sales for the month of September back to the foundation.

“This is a true honor and privilege for me. Seeing as my dad grew up in Mexico and Latin America, this cause hits very close to my heart. 14 million children and adolescents are left out of the education system in Latin America, and 1 in 6 children in the US live in poverty. In working with Maestro Cares Foundation, we are assured a brighter future and investment in the well-being of our Hispanic communities.” - Bianca Bucaram

To date, Maestro Cares Foundation has raised over \$10 million dollars, directly impacting the children and communities they serve. The
