

The Advocate is Urging a Navy Veteran with Recently Diagnosed Lung Cancer in Maryland to Call Attorney Erik Karst of Karst von Oiste About Possible Significant Compensation if The Veteran Had Navy Asbestos Exposure

BALTIMORE, MARYLAND , USA, December 7, 2021 /EINPresswire.com/ -- The Maryland US

Navy Veterans Lung Cancer Advocate is urging a Navy Veteran with recently diagnosed lung cancer in Maryland or their immediate family to call attorney Erik Karst of the law firm of Karst von Oiste at 800-714-0303 about what might turn out to be significant compensation that

"If your husband or dad had asbestos exposure in the navy before 1982 and he has lung cancer in Maryland-please call attorney Erik Karst of the law firm of Karst von Oiste at 80-714-0303." "

Maryland US Navy Veterans Lung Cancer Advocate

exceeds \$100,000 if the Veteran had substantial exposure to asbestos in the navy. A compensation claim like this does not involve suing the navy. It does not matter if the Veteran with lung cancer smoked cigarettes with respect to compensation as attorney Erik Karst of Karst von Oiste is always happy to discuss. www.karstvonoiste.com/

The Advocate says, "The Navy Veterans and or people we assist are almost always stunned to learn that the \$30 billion dollar-asbestos trust funds were set up for them too if they had navy or workplace exposure to asbestos before

1982-and if they have recently been diagnosed with lung cancer. If your husband or dad had heavy exposure to asbestos on a navy ship, submarine or at a shipyard before 1982 and he has recently been diagnosed with lung cancer in Maryland---please call attorney Erik Karst of the law firm of Karst von Oiste anytime at 80-714-0303. As we mentioned compensation might exceed \$100,000." www.karstvonoiste.com/

The Maryland US Navy Veterans Lung Cancer Advocate's free services are available to people with asbestos exposure lung cancer or mesothelioma in Baltimore, Frederick, Gaithersburg, Bowie, Rockville, Hagerstown, Annapolis or anywhere in Maryland.

The US Navy Veterans Lung Cancer Advocate says, "If your husband, dad, coworker or neighbor has just been diagnosed with lung cancer and you know they had significant exposure to asbestos in the navy, at a shipyard or while working at a factory, at power plant, public utility, or as a plumber, electrician welder, mechanic or any kind of skilled trades group in any state please have them call us anytime at 800-714-0303. Most people like this never get compensated-even though the asbestos trust funds were set up for them too. We are trying to change this sad fact."

High-risk work groups for exposure to asbestos in Maryland include US Navy Veterans, workers at one of Maryland's for than two dozen power plants, shipyard workers Baltimore, manufacturing workers, public utility workers, plumbers, electricians, welders, pipefitters, millwrights, auto mechanics, machinists, or construction workers. Typically, the exposure to asbestos occurred in the 1950's, 1960's, 1970's, or 1980's. www.karstvonoiste.com/

According to the American Cancer Society for nonsmokers who have been exposed to asbestos in their workplace the risk of lung cancer is five times that of unexposed workers.

<https://www.cdc.gov/cancer/lung/statistics/index.htm>.

States with the highest incidence of lung cancer include Kentucky, West Virginia, Maine, Tennessee, Mississippi, Ohio, Indiana, Louisiana, Arkansas, Missouri, North Carolina, Rhode Island, Alabama, and Delaware. However, there are people with asbestos exposure lung cancer in Maryland. www.karstvonoiste.com/

For more information about asbestos exposure please visit the NIH's website on this topic: <https://www.cancer.gov/about-cancer/causes-prevention/risk/substances/asbestos/asbestos-fact-sheet>.
