MOROCCO, November 24, 2021

/EINPresswire.com/ -- A new e-book, by experienced digital marketer GUOURIJA TAIB, provides an unprecedented ultimate guide titled "[Digital Marketing](#) Toolbox", which allows newbies and marketers alike to discover in detail a complete mega list of [online marketing](#) tool overviews related to 50 categories.

After extensive research, GUOURIJA TAIB, the author, started online marketing early in 2010. "Throughout these long years of practice and experience, I deduced that automation and tools are essential

elements to start, grow, and succeed in every online business project", The author explains.

He was as crazy as you think because we're fascinated by the idea of creating the world's #1 ultimate guide of over 600+ online marketing tools in 827 pages. "From the beginning, I knew that it wasn't so easy to do it... It took me several months to create the content adding approximately all tools into this e-book... Now, I realize how impossibly hard it was to assemble in this e-book all these 600 online marketing tools ever created", The author exclaims.

The author aims to provide the resource related to the latest online marketing tools, programs, systems, apps, software, and platforms that support individuals and enterprises of all sizes to build a successful online presence and improve their business while working less and focusing only on marketing. "Use the right tools to target the right people at the right time and place", GUOURIJA explained.

Therefore, trusted tools allow marketers and businesses to attract users & customers, to
