The Advocate says, "There is a very good chance a Career US Navy Veteran with mesothelioma could have had significant exposure to asbestos on navy ships, submarines or at a variety of shipyards. Prior to 1982 there were no prohibitions related to navy sailors being exposed to asbestos. When it comes to mesothelioma compensation the more specific about a person's asbestos exposure-the better the financial compensation.

"Attorney Erik Karst is one of the nation's leading mesothelioma attorneys and he specializes in

assisting Navy Veterans with this rare cancer. One area where Erik can be incredibly helpful is assisting a Navy Veteran recall the specifics of how they were exposed to asbestos. A mesothelioma compensation claim is not a lawsuit against the navy-it is a claim against the manufacturers of asbestos laden equipment, machinery or insulation that was used on navy ships, or submarines.

"If you are a Career Navy Veteran in Montana or anywhere in the nation and you have just been diagnosed with mesothelioma-before you retain the services of a lawyer to assist with financial compensation, please call attorney Erik Karst of the law firm of Karst von Oiste at 800-714-0303. We think you will be glad you did."
