enhance Clinical Mobility's ability to deliver high quality and innovative solutions to exceed expectations.

"In 2013, while at Kaiser Permanente I recruited Jim to manage my Clinical Communication wireless product group and further develop our solution delivery. His expertise, integrity and focus on customer success raised the bar and set a new standard. I have followed Jim's career as he moved to Cisco and then GE, watching him grow and accomplish amazing results. Business leaders I have spoken with all say what I know - Jim is the perfect addition to the Clinical Mobility team. We are honored to have Jim join the team," says [Shawn Jackman](#), CEO of Clinical Mobility.

Shawn Jackman

Prior to joining the Clinical Mobility team, Jim was a Healthcare Solutions Architect at Cisco, PatientSafe Solutions, and GE Healthcare. He has published a paper on Clinical Applications and advises several organizations. Jim proudly served his country in the US Air Force and when he is not immersed in his Clinical Communication passion, he coaches youth Baseball and Football.
