“Conferences in our field are excellent ways to give and receive information and learn new methodologies,” explained Casey Jordan, Chief Marketing Officer. “As Canada moves into a post-Pandemic environment, we are excited to announce a vibrant conference schedule where our staff have shared and will share their knowledge and learn from others in our field.”

Conferences that are on the schedule are as follows. First, the "Recovery Capital Conference" was held April 12-13, 2022, at the Hyatt Regency in Calgary, Alberta, Canada. Second, there was the CAOT (Canadian Association of Occupational Therapists Association) conference, held May 4-7, 2022 in Whistler, BC, Canada. Third is the CCPA (Canadian Counselling and Psychotherapy Association), held May 19-22, 2022, as a virtual conference. And, fourth and finally, Forum 2022 Halifax to be held October 17-19, 2022, in Halifax, Nova Scotia. More conferences may be added to the attendance schedule depending on in-person availability and location.

In addition to the announced conference participation, SCHC and GSWC staff works hard at outreach to the community, seeking to educate persons on issues of drug rehabilitation, alcohol treatment, PTSD / trauma, and other types of addiction-related services. Readers are referred to the lively blog at <https://www.sunshinecoasthealthcentre.ca/blog/> which has many in-depth articles on issues around addiction. A second good resource is the "approach" page at

<https://www.sunshinecoasthealthcentre.ca/our-approach/>. That page explains the Centre's "non 12 step" methodology, which explains that the four key elements in the methodology are physical, psychological, social, and spiritual. Third, for more in-depth information, persons looking to learn more about drug rehab or alcohol treatment can visit <https://www.sunshinecoasthealthcentre.ca/drug-alcohol-treatment/>. In all cases, interested persons or their loved ones are encouraged to reach out for a no obligation consultation.

As the Centre is exclusively focused on males, it should be noted that a parallel Centre called, Georgia Strait Women's Clinic (<https://georgiastraitwomensclinic.ca/>), offers best-in-class therapy and treatment options for women, also in Powell River, British Columbia Canada).
