

Infocree.com Adds New Features for Sales Teams

Sales leaders have complete control over their teams' prospecting efforts

OMAHA, NE, UNITED STATES, June 22, 2022 /EINPresswire.com/ --

Infocree.com the leading provider of unlimited [sales leads](#), email lists, mailing lists, person search and CRM, today announced that it has added additional enhancements for [sales teams](#) of 5 to 5,000 users.

Access to quality sales leads is the lifeblood of every successful business. With our new functionality, Sales Leaders can distribute leads to their teams, focus on getting top producers more quality leads, and track the prospecting efforts of their entire team. It really is a game-changer for Sales Leaders who want to maximize productivity and crush their quotas.

Quality is of the utmost importance for Infocree, with each business contact going through a triple-verification quality check to ensure the highest number of viable leads are provided. In fact, [databases](#) featured on Infocree have some of the most competitive accuracy statistics on the market, with a 95 percent accurate business database, a 90 percent accurate consumer database, and an 80 percent accurate weekly 'hot sales leads' database. This ensures that salespeople and marketing professionals can have a steady pipeline of leads, with little wasted time on contacting leads that aren't viable.

"We are committed to making our databases the most accurate and robust in the industry," said John Copenhaver, President, at Infocree. "We're constantly adding key information to our product which in turn helps our customers to find new prospects and grow their sales."
