

The Memphis Sound Comes Back To Life, Elvis Reappears In Transcendental Spirit, Hits Radio With John Krondes And THE END

The Memphis Sound Comes Roaring Back. ELVIS Mysteriously Is Back On The Scene, In Theaters, And On Radio Joining In Spirit With John Krondes And His Hit Team.

LOS ANGELES, CA, UNITED STATES, June 28, 2022 /EINPresswire.com/ -- June 24, 2022 marked the date ELVIS Returned To The Big Screen. Simultaneously Elvis Presley's Spirit Has Also Returned Along Side John Krondes To The Airwaves And Radio Stations All Over The World With The Return Of The Memphis Sound. Sound Impossible? Not At All. In the mystical and

unexplainable story and world of Singer / Songwriter John Krondes the impossible has somehow become possible. John Krondes and his famous song writer father Jimmy Krondes come from Greek Heritage and a long line of ancient philosophers and theorists like Socrates (470 BC -399

BC). Both Socrates and the Krondes family are from Athens, Greece. The centuries old philosophical teachings by Socrates start to make some sense out of the otherworldly bonding of spirits and special arrangement between Elvis Presley and John Krondes. Socrates explained that Everything Living Came From The Dead. So that when a person dies, should his soul not live again?

Ginger Alden, Elvis Presley's last love and fiance, who wrote

a 2014 Memoir "Elvis & Ginger" said that Elvis Presley was excited about life when he died, was eagerly making plans for new albums, new films and an expanded family with her his young bride-to-be of seven months. Ginger Alden detailed that Elvis gave her an engagement ring; there was a wedding date. Those grand plans were abruptly changed and cancelled on August

16, 1977. Not that any of us normal human earthlings are expected to understand the orders and will of the higher universe, but we all concede that the world is baffled trying to understand how John Kronde has persistently carried forward the Rock 'N Roll Mission to save the Memphis Sound. Elvis Presley somehow has come back in spirit, in another form of life as explained by Socrates to unite forces with John Kronde to bring forward the Next Chapter Of The Memphis Rock. Elvis Never wanted himself or the music to die. Relevantly, John Kronde has spent the past several years in recording studios around the USA making momentous new music with all of Elvis Presley's musicians and singers. He has near 100 New Recordings with all the original Elvis Presley players. In a very odd, inexplicable, and beautiful way it looks like Elvis' plans to keep the Memphis Sound alive are being fulfilled and executed by John Kronde.

Joe Esposito, who was the Best Man at Elvis Presley's Wedding, his Best Friend In Life, and his Road Manager for 20 Years was not mentioned in the new ELVIS Movie. For that matter, nor was other close friends George Klein, Larry Geller, Girlfriend of 4 years Linda Thompson, or fiance Ginger Alden. Joe Esposito also answered destiny's call, discovered John Kronde, and expeditiously took over guiding and promoting John Kronde and the Elvis Hit Making Team. Joe Esposito instinctively understood the power and importance of the new recordings being made by John Kronde and Elvis Presley's musicians. TCB Joe addressed the media saying, "the 'Hit Making Team' project breathes new life for Elvis". Larry Geller told Closer Weekly, "Tragically, he died in August. He knew he had so much more to give," Best we start believing in those higher powers, as Elvis Presley's second chance is here and hitting radio stations al over the world as we speak in June of 2022.

As the movie ELVIS was dropping to theaters, CDX Nashville, along with Sony Music and The

Ironically, John Kronde has been recording and working with Elvis Presley's original musicians like the American Sound Studios Band and players from the TCB Band longer than Elvis in his short life even got to make new music with them. Elvis Presley sang THE END a/k/a "At The End Of A Rainbow" written by John's dad Jimmy Kronde to Priscilla Beaulieu on the night they met in Germany.

Celebrity Psychic John Cohan states, "It's All Connected. John Kronde was inescapably summoned by destiny's calling to carry forward the order to keep the music alive for Elvis and his father."
