CHICAGO, ILLINOIS, UNITED STATES, August 10, 2022 /EINPresswire.com/ -- Advocating for one of the victims of a tragic incident at Schiller Woods Forest Preserve, the [McNabola Law Group](#) will represent Teresa Iwanicka to ensure she receives fair and just compensation for her injuries. Ms. Iwanicka was hit by a car while

attending a family picnic sponsored by Society of Friends of Radgoszcz on June 26, 2022. The defendant's Honda CR-V was parked on the grass near the picnic when the 89-year-old driver inadvertently put the van into reverse before accelerating into the crowd attending the picnic. Seven people suffered serious injuries, including the driver.

Ms. Iwanicka was one of two victims who were run over and trapped under the car until 30 people at the picnic were able to lift the vehicle and pull them to safety. She suffered serious leg and hand injuries and was taken to Loyola Medical Center.

"Although no criminal charges were filed, it is clear that the driver was negligent and caused serious injuries to Ms. Iwanicka and others attending the picnic," said Mark E. McNabola, Founding Partner, McNabola Law Group. "This was a terrible experience, and we feel it is essential for Ms. Iwanicka to have the legal support she will need to be compensated for the physical and emotional injuries she has endured to date and moving forward."

For further information, the case number is 2022L007046.
