CASTLE ROCK, COLORADO, USA, September 30, 2022 /EINPresswire.com/ -- Castle Rock and Castle Pines Realtor Jim Garcia was voted as 'The Best Real Estate Agent in Castle Rock 2022' by Rockies Agents, a local Douglas County real estate referral company based in Parker, Colorado. Rockies Agents partners with highly reputable real estate agents throughout the State of Colorado to pair homebuyers and sellers with a local, licensed real estate agent.

Rockies Agents serves as a middle-man between home buyers and sellers and a wide variety of real estate firms ranging from large, highly recognizable real estate agencies to small boutique, one-person real estate firms specializing in Douglas County real estate. Before pairing a buyer or seller with an agent, Rockies Agents takes time to understand the specific needs and unique requirements of anyone seeking a real estate agent referral. After a thorough evaluation of the buyers' or sellers' distinct circumstances, a local Realtor is selected who can best meet the buyers' or sellers' needs.

Jim's impressive 250+ 5-Star reviews, mainly from Castle Rock and Castle Pines Buyers and Sellers, were a contributing factor to this year's award. Here is a link to Jim Garcia's Castle Rock Realtor reviews: <https://jimgarciahomes.com/jim-garcia-real-estate-agent/reviews/>

"Jim is a fantastic Realtor and absolutely the guy you want working for you! Jim sold our house for 20k over asking and negotiated a leaseback so we had time to find our dream home and still only move once. When it was time to buy, Jim's knowledge of the local market was absolutely spot on. He wrote fantastic offers that gave us the best chance at winning a bidding war while also preventing us from over paying. We highly recommend Jim as he is the best of the best!"

He has a tremendous support team that executes flawlessly, Jim is extremely responsive, always returning calls or texts within minutes. In addition he has incredible connections when it comes to getting things done. Electricians, glass specialists, plumbers, you name it and he will have someone on the job pronto. I'd recommend him to anyone interested in making a real estate move." Rick J., client

He has a deep understanding of the market and sub-markets which helped us focus our search. He is a wealth of information about the nuances of the purchase process, and also has a deep understanding of home construction including some peculiarities of this area. Jim provided advice that helped us structure the purchase and loan to suit our needs and avoid both immediate and future costs. We are not first-time home buyers and

considered ourselves quite knowledgeable, but without Jim, we would have never ended up in this beautiful home. Jim is a true professional and now a new friend. Thanks Jim," Jon S., client.
