

Global Mouse Market Growth Trajectory

The Business Research Company's Mouse Global Market Report 2022 – Market Size, Trends, And Global Forecast 2022-2026

LONDON, GREATER LONDON, UK,
October 21, 2022 /EINPresswire.com/ --

As per The Business Research Company's "Mouse Global Market Report 2022", the mouse market grew from \$1.94 billion in 2021 to \$2.16

billion in 2022 at a compound annual growth rate (CAGR) of 11.6%. The Russia-Ukraine war disrupted the chances of global economic recovery from the COVID-19 pandemic, at least in the short term. The war between these two countries has led to economic sanctions on multiple countries, surge in commodity prices, and supply chain disruptions, effecting many markets across the globe. The [mouse market share](#) is expected to grow to \$2.84 billion in 2026 at a CAGR of 7.1%. According to the mouse market analysis, the rising prevalence of gamers using the mouse for gaming is a key factor driving the growth of the market.

Key Trends In The Mouse Market

The growing technological advances is one of the major mouse market trends gaining popularity. The implementation of new technology such as the radio frequency mouse has led to an increase in the use of these devices across different industries. For instance, Logitech, a USA based computer peripherals and software company launched G502 Lightspeed wireless gaming mouse equipped with the latest Hero 16K sensor. With 11 programmable keys, this new high-end wireless gaming mouse can be programmed to perform unique actions or run macros based on requirements.

[Overview Of The Mouse Market](#)

The mouse global market consists of sales of mice by entities (organizations, sole traders, and partnerships) that provide mice, which are computer peripheral equipment used to add input functionality to a computer. A mouse is a handheld hardware input device that controls a cursor in a graphical user interface (GUI) and can move and select text, icons, files, and folders. Only goods and services traded between entities or sold to end consumers are included.
