## India Higher Education Market Trends:

The market in India is primarily driven by rising access to quality education. In line with this, universities and higher-educational institutions are increasingly offering online courses and programs for different levels and disciplines. Furthermore, colleges and universities are adopting technological transformation to deliver campus experiences drawn to enhance student success, improve outcomes, and drive innovations, which, in turn, is creating a positive outlook for the market.

Moreover, rapid advancements in technology and cloud solutions are positively influencing the market. Besides this, a growing number of public and private institutions, government agencies, ministries of education, and testing and education companies are significantly contributing to the market growth in India. Additionally, the popularity of mobile learning and electronic learning and the surging number of student enrollments in educational institutions are providing a boost to the market.

### Key Market Segmentation:

#### Breakup by Type:

- Deemed-To-Be-Universities
- Central Universities
- State Universities
- State Private Universities
- Autonomous Colleges
- Institutes of National Importance
- Others

#### Breakup by Affiliation:

- University/University Level Institutions
- Colleges/Institutions - Affiliated/Recognized with University
- Standalone Institutions - not Affiliated/Recognized with University
- Others

#### Breakup by Courses Offered:

- Graduate
- Post-Graduate
- Diploma
- Certifications

- PhD
- Others

#### Breakup by Mode of Education:

- Regular
- Part-Time
- Distance
- Others

#### Breakup by Gender:

- Male
- Female

#### Competitive Landscape:

The competitive landscape of the market has been studied in the report with detailed profiles of the key players operating in the market.

#### Breakup by Region:

- North India
- West and Central India
- South India
- East India

#### Key highlights of the Report:

- Market Performance (2016-2021)
- Market Outlook (2022-2027)
- COVID-19 Impact on the Market
- Porter's Five Forces Analysis
- Historical, Current and Future Market Trends
- Market Drivers and Success Factors
- SWOT Analysis
- Structure of the Market
- Value Chain Analysis
- Comprehensive Mapping of the Competitive Landscape

Note: If you need specific information that is not currently within the scope of the report, we can provide it to you as a part of the customization.
