“

Phil Lynott inspired countless musicians with his passion and skill, and he truly deserves to be remembered as Irish Rock Legend”

Peter Schneider

Decades after his death, Thin Lizzy co-founder Phil Lynott is still a beloved musician in Dublin, where he was raised. A statue to honor the frontman was erected in Lynott's memory in 2005. Lynott drew heavily on his working-class Irish roots in his songwriting and poetry, which were as much a part of the soul of groups like Thin Lizzy as his inimitable bass rhythms. His work with the group influenced generations of musicians, from Metallica to Mastodon to Smashing Pumpkins. His untimely death in

1986 at age 36 of pneumonia and blood poisoning sent shock waves through the Irish music scene, and his memorial led to the creation of the Vibe for Philo music festival.

“Phil Lynott charmed the world with a musical style that was steeped in his Irish upbringing,” said Peter Schneider, Founder of Euro Note Souvenir. “He inspired countless musicians with his passion and skill, and he truly deserve to be remembered as Irish Rock Legend.”

These zero Euro notes will be printed in the same facility that presses Euro banknotes for the E.U. at the behest of Euro Note Souvenir. Euro Note Souvenir is the exclusive license-holder of

zero Euro notes in Ireland, which gives the company the ability to [create commemorative Euro notes](#) with the look and feel of real Euro currency.
