

# Vantage Tag Systems announces the debut and giveaway of 2 V-Club Fleet Golf Carts at PGA show in Orlando

SURREY, BRITISH COLUMBIA, CANADA, December 13, 2022 /EINPresswire.com/ -- (GLOBE NEWSWIRE) [Vantage](#) Tag Systems a wholly owned subsidiary of DSG Global, Inc. (OTCQB: DSGT) ("DSGT" or the "Company"), is pleased to announce the debut of the V-Club GPS Fleet Management enabled integrated Fleet Cart with a giveaway promotion at the PGA Show in Orlando, Florida at Booth #3433.

The Vantage V-Club is the new flagship product of the Vantage Fleet Cart line-up. Engineered to be a direct alternative to incumbent fleet selections the V-Club sets new benchmarks for performance, golfer comfort/safety, and affordability.

The V-Club Fleet Golf Cart is the culmination of 25 years experience of working with operators in addressing Fleet Management issues to deliver a more profitable operation and superior golfer experience. The Vantage V-Club comes with every imaginable option, the only thing operators must choose is the color and optional display.

## Key Specifications and Features

- Beverage cool box and sand bottles
- Fold down cabana bag cover
- On Site Service & Maintenance: Level 1 on-site service included
- Choose from 8 colors. (No extra charge)

"I've been in this business for over 25 years." said Bob Silzer CEO. "With very few changes to the present fleet car, the all-new Vantage V-CLUB fleet cart is the most complete offering in the industry at a price point that is a new benchmark for golf operators who are looking to enhance their fleet management capabilities, appearance and golfer experience." Continued Silzer. To celebrate the debut, Vantage Tag Systems is giving away 2 of the new fully outfitted V-Club Luxury fleet golf carts at the PGA Merchandise Show Jan 24-27, 2023, in Orlando at the DSG Global booth #3433. Attendees can download a special QR Code to participate in the draw for one V-CLUB golf cart on January 25th and 26th of the show.

#### About DSG Global

DSG Global is an emerging global technology company with an array of interconnecting businesses in some of the fastest-growing market sectors. With roots in the golf industry, in which it specializes in fleet management with patented analytics, mobile touch screen engagement and electric golf carts under the Vantage Tag Systems (VTS) brand.

#### About Vantage Tag Systems

Vantage Tag Systems (VTS) provides patented electronic tracking systems and fleet management solutions to golf courses and other venues that allow for remote management of the course's fleet of golf carts, turf equipment and utility vehicles. Its clients use VTS' unique technology to significantly reduce operational costs, improve the efficiency plus profitability of their fleet operations, increase safety and enhance customer satisfaction. VTS has grown to become a leader in the category of fleet management in the golf industry, with their technology installed in vehicles worldwide. VTS is now branching into several new streams of revenue through programmatic advertising, licensing, and distribution, as well as expanding into commercial fleet management, single rider golf carts, and agricultural applications.

#### CAUTIONARY NOTE REGARDING FORWARD-LOOKING STATEMENTS

This news release contains forward-looking information. Such forward-looking statements or information are provided for the purpose of providing information about management's current expectations and plans relating to the future. Readers are cautioned that reliance on such information may not be appropriate for other purposes. Any such forward-looking information may be identified by words such as "anticipated," "proposed," "expects," "intends," "may," "will" and similar expressions. Forward-looking information contained or referred to in this news release includes but is not limited to the Company's ability to secure manufacturing facilities and supply chains, the benefits the Company expects to derive from existing and planned products, and the Company's ability to achieve production and sales targets, generally.

Forward-looking statements or information are based on a number of factors and assumptions, which have been used to develop such statements and information, but which may prove to be incorrect. Although the Company believes that the expectations reflected in such forward-looking statements or information are reasonable, undue reliance should not be placed on forward-looking statements because the Company can give no assurance that such expectations

will prove to be correct. Factors which could cause actual results to differ materially from those described in such forward-looking information include, but are not limited to negative cash flow and future financing requirements to sustain operations; dilution; limited history of operations and revenues and no history of earnings or dividends; competition; economic changes; delays in the Company's expansion plans; regulatory changes; and the impact of and risks associated with the ongoing COVID-19 pandemic, including the risk of disruption at the Company's facilities or in its supply and distribution channels. The forward-looking information in this news release reflects the current expectations, assumptions and/or beliefs of the Company based on information currently available to the Company.

Additional factors that could cause actual results to differ materially from those anticipated by our forward-looking statements are described under the captions "Risk Factors" and "Management's Discussion and Analysis of Financial Condition and Results of Operations" in our Annual Report on Form 10-K for the fiscal year 2021 and our subsequent Quarterly Reports on Form 10-Q and Current Reports on Form 8-K, all filed with the Securities and Exchange Commission. Forward-looking statements are made as of the date of this release, and we expressly disclaim any obligation or undertaking to update forward-looking statements. The forward-looking statements or information contained in this news release are expressly qualified by this cautionary statement.
