About the LPGA*USGA Girls Golf

The LPGA Foundation was founded in 1989 by a woman who dreamed of sharing her love for the game of golf with her two daughters. We've grown into a community of more

than 90,000 girls across the globe who are learning and loving the game! Run in partnership

between the LPGA Foundation and the USGA (United States Golf Association), LPGA*USGA Girls Golf (Girls Golf), is a non-profit 501-c3 junior golf program with sites in more than 500 communities across the country.

Girls Golf sites provide girls with quality golf instruction led by LPGA and PGA teaching professionals or certified coaches from The First Tee. Not only are they experts in taking girls from beginner to advanced golfers, but they also specialize in creating experiences that show girls just how much fun golf really is! The new custom designed bags will add a new level of branding and exposure to the members, family, and supporters. Each girl will proudly carry a premium quality golf bag, with the purpose of aiding the growth of the game.

“It is great to work with like-minded individuals like Deb and Erica who are committed to helping us change the face of golf by making sure that all girls have the opportunity to take advantage of the benefits that golf has to offer.” Nancy Henderson LPGA Foundation President.
