

Weed On Wheels™ — Dubbed The "Uber Eats of Weed", Providing Safe and Convenient Cannabis Delivery

Weed On Wheels™ — Launches as the "Uber Eats of Weed", Providing Safe and Convenient Cannabis Delivery for Adults in Recreational and Medical Markets

PORTLAND, OR, UNITED STATES, March 24, 2023 /EINPresswire.com/ -- Weed On Wheels™, a new cannabis delivery app, has launched to provide safe and convenient access to high-quality cannabis products for adults aged 21 and above in recreational and medical adult use cannabis markets that allow delivery. The app has been dubbed the "Uber Eats of Weed" due to its user-friendly interface, fast delivery times, and extensive range of products.

"We're excited to introduce Weed On Wheels™ to the cannabis community," said the founder of Weed On Wheels™. "Our goal is to make it easy and safe for people to access the products they need, without leaving their homes. We believe that we've achieved that goal with Weed On Wheels™."

The app provides customers with a wide selection of products, including edibles, tinctures, flowers, and concentrates, all of which are available for delivery straight to their door. Customers can place their orders through the user-friendly interface of the app and choose from a variety of payment options, including cashless transactions.

To ensure customer safety, the app requires customers to provide proof of age and ID verification before they can place an order. All deliveries are made by licensed professionals who have undergone thorough background checks and are equipped with the latest safety equipment and procedures.

"We take the safety and security of our customers very seriously," said the founder of Weed On Wheels™. "We've gone to great lengths to ensure that every order is fulfilled with the utmost

care and attention, and that our customers can feel confident in the quality of our products and services."

The launch of Weed On Wheels™ comes as demand for cannabis delivery services continues to grow, particularly in the wake of the COVID-19 pandemic. The app provides a convenient and safe way for people to access the products they need, without having to leave their homes.

"We're proud to be at the forefront of this industry, providing a service that is both convenient and safe," said Jeremy Freeman, the founder of Weed On Wheels™. "We believe that our app will revolutionize the way that people access cannabis products, and we're excited to be a part of that change."

Weed On Wheels™ is committed to providing a superior customer experience and ensures that every order is fulfilled with care and attention to detail. Customers can expect fast, reliable, and discreet delivery, allowing them to enjoy their products in the comfort and privacy of their own homes.

The app is now available for download on the App Store and Google Play, and the company looks forward to serving customers in recreational and medical adult use cannabis markets across the country.

"We believe that Weed On Wheels™ will be a game-changer in the cannabis delivery industry," said Jeremy Freeman, the founder of Weed On Wheels™. "Our app provides a seamless and secure way for people to access the products they need, and we're excited to see the impact that it will have on the industry as a whole."
