*Press Releases, Blogs, Podcasts, Case Studies, Webinars and Videos*

SUNDRE, ALBERTA, CANADA, March 30, 2023 /EINPresswire.com/ --

Construction Links Network is a unique news platform where members "Get More Eyes" on their digital content and increasing their SEO.

The network includes thousands of Canadian construction managers, contractors, developers, building managers, property managers, architects, designers, engineers, government officials and more.

Members use this platform to share and onboard their digital content on the Internet, through social media and our popular Round Up News Magazine. Ideal for product / service releases, company announcements, blogs, podcasts, webinars, case studies, videos and more.

This week the 2023 Canadian federal budget was announced. Themed as "A Made-in-Canada Plan: Strong Middle Class, Affordable Economy, Healthy Future" - fell short in many areas including help for the construction industry. The Canadian Construction Association put it this way - "Budget 2023 is a missed opportunity to invest in real growth measures". Read CCA's budget comments here.

The top video this week is courtesy of PCL Construction who celebrate as ironworkers placed the final curved steel beam 47 storeys above downtown Toronto, crowning Cadillac Fairview's new commercial office tower.

Content shares from members this week include:

- Nesbitt Training - Jose Knows Best
