"It's always a privilege for our students to showcase their designs at such an international event. This year we couldn't be more proud of our student designers' hard work," said Oscar Lopez, Fashion Department Chair at MIUAD.

Last year, for the first time ever, MIUAD's SWIM SHOW brought together students, graduates, and alumni, in the same show, to honor their alma mater. This year, MIUAD will celebrate its first collaboration with [AMER\\_ICAN](#) presenting a unique and exciting capsule collection designed by a select group of senior students. AMER\_ICAN's mission is to inspire audiences to be the difference that makes a difference. As such, AMER\_ICAN will be awarding a \$1,000 scholarship to the winner of the student runway show.

"We believe our individual power is our collective power," said Vesna Cremona, Founder of AMER\_ICAN. "I am proud to partner with the talented team at MIUAD. Together, we can create a culture of participation and contribution."

"This year's SWIM SHOW shouldn't be missed. Our talented students and alumni have some

incredible collections ready for the runway," said Nestor Camacho, Lead Faculty for Fashion Design at MIUAD.
