Contribution made possible by VA Claims Insider's charitable arm to help provide support to US veterans experiencing homelessness

AUSTIN, TX, UNITED STATES, August 15, 2023 /EINPresswire.com/ -- [Served with Honor Foundation](#), the charitable arm of VA Claims Insider, together with employees and customers, announces the donation of \$25,000 to [National Coalition for Homeless Veterans \(NCHV\)](#) in honor of retired Marine Corps veteran Paul Warshawsky, who died unexpectedly in October of 2021. Warshawsky was committed to supporting his fellow veterans in his free time

and through his work as an associate of VA Claims Insider helping other veterans navigate the Veterans Administration system.

“

NCHV is at the forefront of ending veteran homelessness through their policy work and leadership in driving collaboration across the multiple organizations focused on various veteran's issues.”

“This is a fitting tribute to Paul and his family who shared his commitment to helping fellow veterans that are struggling with civilian life find and access the essential resources needed to survive,” said Kathryn Monet, Chief Executive Officer for NCHV. “This gift will support our mission to end veteran homelessness.”

The NCHV is the leading authority on homeless veterans’

issues and the only national organization solely focused on ending veteran homelessness. We work to achieve our mission by promoting collaboration, shaping policy, building service capacity, ensuring accountability, and managing a referral helpline for veterans experiencing and at-risk of homelessness.

“Paul was passionate about helping his fellow veterans navigate life and the system so that they could live their best lives after serving our country,” said Brian Reese, Chairman of Served with Honor Foundation and Founder of VA Claims Insider. “NCHV is at the forefront of ending veteran homelessness through their policy work and leadership in driving collaboration across the

multiple organizations focused on various veteran's issues. Paul, his wife Sara and son Prescott, shared their resources with the veteran community and it is our hope that by honoring Paul others will be inspired to contribute to supporting these patriots as well."
