Debate*

PHOENIX, AZ, UNITED STATES, August 31, 2023 /EINPresswire.com/ -- The [Sandra Day O'Connor Institute for American Democracy](#) has announced its extracurricular online club, the O'Connor Institute [Ambassadors](#) Civics & Debate Club. A free, online program for 9th- through 12th-grade students, the club promotes the O'Connor Institute's three pillars: civil discourse, civics education, and civic engagement.

The national, online initiative encourages high school students from around the country to engage with other like-minded students interested in enhancing their civics knowledge and civil discourse skills. Online club meetings during the school year offer debates on the most important civics topics facing our communities and nation.

Ambassadors can hone their speech and debate skills through Institute-hosted online club meetings and learn to get involved to make a difference in their community. Additionally, at their own pace and schedule, Ambassadors can also deepen their understanding of civics and how government works through the Institute's free online learning platform.
