

# Amazon Air Partners with LOBO for Innovative Safety and Maintenance Solution

DERBY, UK, September 21, 2023

/EINPresswire.com/ -- [LOBO Systems](#), a pioneer in bespoke modular access solutions, is thrilled to announce that Amazon KSBD Prime Air, the innovative delivery service by Amazon, has placed an order for a LOBO Starter Kit.

Amazon Air, also known as Prime Air, is a cargo airline operating exclusively to transport Amazon packages across the globe.

This strategic partnership signifies Amazon's commitment to enhancing workplace safety and efficiency within its delivery hubs.

The LOBO Starter Kit is a game-changer - a modular access system designed to provide maintenance teams with a secure and adaptable working environment. By selecting the LOBO system, Amazon KSBD Prime Air proactively optimises operational procedures, reduces downtime, and elevates safety standards across its facilities, ultimately benefiting its customers.

“

We are honoured that Amazon Prime Air has chosen LOBO as a partner. Following the approval across 170 Amazon sites, it's great to see Prime Air are now involved.”

*Rob Bokros, CEO of LOBO Systems*

Key advantages of the LOBO Systems Kit include:

- **Unmatched Safety:** LOBO's inherent safety features ensure that maintenance personnel can carry out their tasks securely, even at elevated heights. This investment significantly reduces the risk of workplace accidents and

injuries.

- **Enhanced Efficiency:** Amazon KSBD Prime Air will experience heightened efficiency in their maintenance and operational activities with the LOBO system's user-friendly, adaptable design,

- Customisation: LOBO Systems can tailor the solution to meet the unique requirements of Amazon KSB Prime Air's facilities, guaranteeing a personalised approach to optimisation.
