THE CITY OF NEWBURGH, NEW YORK, USA, September 25, 2023 /EINPresswire.com/ -- The Newburgh City Council today announced that twenty local small businesses will receive direct cash grants of up to \$10,000 through its Small Business Grant Assistance Program. The twenty award-winning businesses represent the City's diverse mix of arts, personal service, hospitality, cultural, and lifestyle brands that positively contribute to each of the City's four wards.

City Manager Todd Venning: “The City Council strongly supports our local businesses – they are the foundation of our City's unique and diverse neighborhoods. Giant corporations took most of the COVID-19 federal assistance while local small businesses were passed over. The City Council's Small Business Grant Assistance Program will create a small measure of economic justice by redirecting ARPA funding to those most affected by COVID-19 losses – our City's local small businesses.”

In May of this year, the Newburgh City Council announced the launch of its Small Business Grant Assistance Program backed with a \$200,000 allocation of American Rescue Plan Act (ARPA) funding. Dozens of City businesses applied to receive up to \$10,000 direct cash grants to offset Covid-19 related losses. Following a rigorous review and scoring process, twenty qualifying local small businesses were selected for grant awards. Added consideration was given to women, minority, and veteran owned businesses and micro-businesses that employ 10 or fewer people.
