

Grazitti Interactive - Amplifying eLearning with Innovation at DevLearn 2023

Grazitti Interactive to be an Exhibitor at DevLearn 2023

MOUNTAIN VIEW, CALIFORNIA, UNITED STATES OF AMERICA, September 28, 2023 /EINPresswire.com/ -- Grazitti

Interactive, a global technology leader, is gearing up to exhibit at DevLearn 2023, the premier learning technology event in Las Vegas, NV.

As a prominent player in the learning ecosystem, we bring over 15 years of expertise to offer comprehensive end-to-end support. Our proficiency spans learning content creation, production, and processing, coupled with extensive experience in leading learning management systems such as Adobe, Thought Industries, Docebo, Skilljar, MadCap, and more.

Our suite of products including Knowbler™, SUVAR, and SearchUnify® empowers the knowledge journey from discovery to KCS-aligned creation. This showcases our steadfast dedication to enhancing the digital learning landscape through the transformative capabilities of Generative Artificial Intelligence (GenAI).

At DevLearn, another initiative we look forward to showcasing is SkillStone™—a skilling venture by Grazitti Interactive to bridge the academic-industry gap.

Alok Ramsisaria, CEO of Grazitti Interactive, stated, "At DevLearn 2023, Grazitti will demonstrate how we are reshaping e-learning. With our groundbreaking innovations, we are poised to revolutionize knowledge workflows and facilitate intelligent, context-aware conversations. Join us in pioneering the future of e-learning and witness the AI-driven transformation in this ecosystem."

"Digital experiences encompassing both customer and employee learning have become the new norm, but challenges like information silos often impede user learning experiences. This is where our cutting-edge solutions come into play. By seamlessly integrating disparate content repositories, our cognitive search engine enhances information discovery, facilitating relevant and hyper-personalized learning experiences," says Vishal Sharma, CTO, SearchUnify (Grazitti Interactive's Flagship Product)

Being a part of such a prestigious conference, is a great opportunity to network with thought leaders, innovators, and industry experts from around the globe and bring transformation in the field of corporate training and e-learning.
