Media Advisory - Exploring Civil Justice for Victims of the Lewiston Attack

On Monday, November 6, two prominent attorneys who specialize in representing mass shooting victims will speak in Lewiston/Auburn

AUBURN, MAINE, UNITED STATES, November 2, 2023 /EINPressswire.com/ -- Can there be civil justice for victims of mass shooting events like the one that happened in Lewiston?

To help answer that question and better understand the national legal landscape, we have invited Josh Koskoff and Jamal Alsaffar for a roundtable discussion and forum. Josh and Jamal are among the leading experts in the United States in pursuing justice for victims in mass shooting events, and have been or are currently involved in cases involving mass shootings in Sandy Hook, CT, Uvalde, TX, Highland Park, Illinois, Buffalo, NY, Las Vegas, NV, and others. As these tragic events become commonplace and elected officials fail to make significant policy reform in their wake, legal recourse has become one strategy in the fight for justice.

This event is hosted by Gideon Asen, a law firm in Auburn.
