

Future Electronics Takes Home Two Awards at Melexis Asia Distribution Summit

Future Electronics has recently received two awards from the Melexis Asia Distribution Summit.

MONTREAL, QUEBEC, CANADA,
November 20, 2023 /

EINPresswire.com/ -- Future Electronics, a global leading distributor of electronic components, has been given two major awards from Melexis' 8th Asia Distribution Summit in Chengdu, China held this past October.

The Montreal-based electronic components distributor took home Best Demand Creation Distributor for 2022, while the Best Distributor Field Application Engineer award was handed to Ricky Yan of [Future Electronics Asia](#).

The two awards, presented at the Melexis Asia Distribution Summit, recognize the outstanding performance and dedication of [Future Electronics within the Asian market](#).

Melexis, a global leader in innovative semiconductor technologies, has consistently produced high-performance, efficient, and reliable solutions for the automotive, industrial, and consumer electronics markets.

Future Electronics' partnership with Melexis continues to thrive, and the duo of awards demonstrate the company's commitment to delivering top-quality products and exceptional support to customers.
