

# Planet Home Lending Opens McCalla, Alabama Branch

*National lender to help borrowers in Central Alabama*

MERIDEN, CONNECTICUT, UNITED STATES, November 30, 2023 /EINPresswire.com/ -- [Planet Home Lending](#), LLC, a national mortgage

lender and servicer, has opened a branch office in McCalla, Alabama. Led by Branch Manager Daniel Griffin (NMLS# 1488092), the office gives homebuyers and homeowners in Central Alabama mortgage tools to help navigate the current market.

“

Every homeowner or potential buyer has unique needs and concerns. At Planet Home Lending, our goal is to provide solutions that make sense for you.”

*Planet Home Lending Branch Manager Daniel Griffin*

New homebuyers face challenges due to rising interest rates. Many current homeowners are eager to move to a bigger or better home but worry about selling their current house first. Meanwhile, homeowners who got mortgages when interest rates were low want to use the value built up in their homes without losing their great rates. "At Planet Home Lending, we have tailored solutions for all of these concerns," Griffin said.

Planet Home Lending's products include:

**Smooth move for current homeowners:** With Planet's Purchase Edge program, buyers don't have to wait for their current house to sell before buying their new dream home. Alternatively, a Planet bridge loan lets homeowners use the equity from their current home to help pay for their next home.

**Help for Homebuyers:** Down payment assistance is available to help qualified homebuyers with their down payments. Planet also finances affordable manufactured homes.

**Easing Worries About Rising Interest Rates:** Planet's special buydown options can reduce homebuyers' effective interest rate by 2% in the first year and 1% in the second year. Homebuyers who use a Planet buydown can still refinance without lender fees for up to a year.

Cash out home equity: For those who have a low-interest mortgage and want to use the money they've built up in their home, Planet offers the HELOAN. This lets homeowners borrow against their home's value while keeping their fantastic first-mortgage rate.

"Every homeowner or potential buyer has unique needs and concerns. At Planet Home Lending, our goal is to provide solutions that make sense for you," Griffin concluded.

Griffin is not just a branch manager; he's deeply rooted in the local community. Serving as the Vice President of the Lakeview Fire Protection District and on the city's Planning and Zoning Commission, he has intimate knowledge of the real estate market in McCalla and its surrounding areas.

"Planet Home Lending is excited to enter such a dynamic market, and with Daniel's vast knowledge and community connections, we're confident in our ability to offer unmatched services," said Michael Dubeck, CEO and President of [Planet Financial Group](#), parent of Planet Home Lending. "McCalla and the surrounding regions have a lot to offer, and we're here to ensure residents and potential homeowners get the best."

With a nationwide footprint, Planet is committed to giving back to the planet, people, and local communities through its Planet With a Purpose social responsibility platform. In the past four years, Planet has funded the planting of more than a quarter million trees in our National Forests, helped move 70 million pounds of food to hungry families, and endowed a scholarship for military service members.
