

# Acousti-Clear's Sleek Design Perfectly Blends into Shawmut's NYC Office

*ModernfoldStyles, Inc. proudly collaborates with Shawmut, serving as General Contractor and partnering with Studios Architecture to optimize commercial space.*

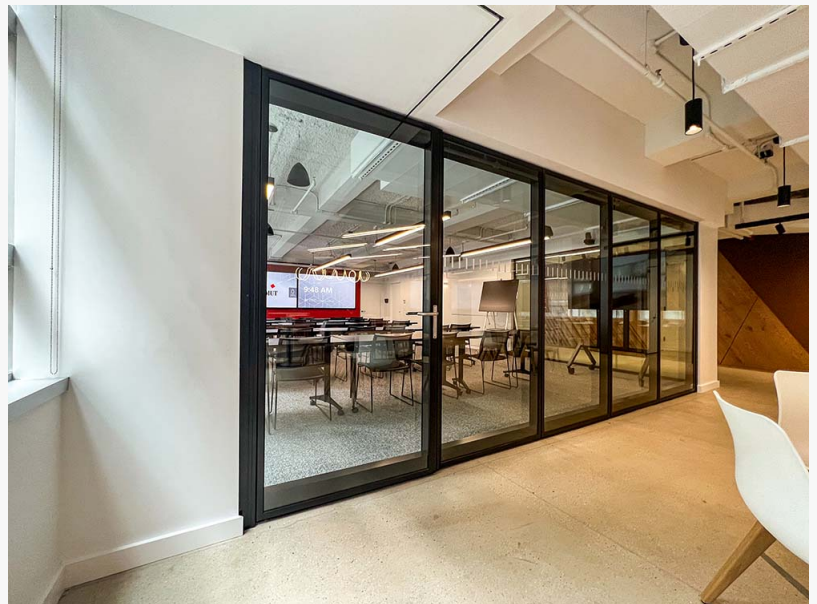

NEW YORK, NEW YORK, UNITED STATES, November 30, 2023 /EINPresswire.com/ -- Shawmut Design & Construction, a nationally acclaimed construction management firm with a portfolio spanning from Los Angeles to New York, has seamlessly integrated Acousti-Clear's cutting-edge design into its modern Manhattan office located at 488 Madison Ave, New York, NY. ModernfoldStyles, Inc. is proud to have played a pivotal role in optimizing Shawmut's commercial space, serving as both the collaborator with Shawmut as the General Contractor and Studios Architecture on this innovative project.

Shawmut Design and Construction, a 100% employee-owned company, stands out for its unparalleled commitment to client satisfaction. With a diverse portfolio covering sectors such as education, healthcare, sports venues, cultural and historic preservation, hospitality, life sciences, and more, Shawmut ensures a construction process that matches the excellence of the finished product.

ModernfoldStyles installed the sophisticated Modernfold Acousti-Clear single-panel glass

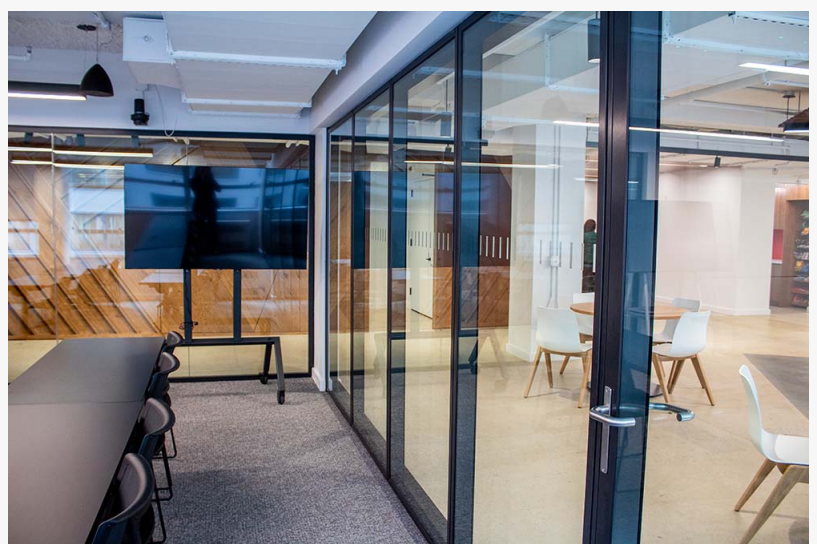

The Sleek Design of Acousti-Clear Seamlessly Integrates with Shawmut's New York City Office.

Shawmut's NYC Office is Enhanced by the Seamless Integration of Acousti-Clear's Elegant Design.

partition on the 10th floor of Shawmut's Manhattan office. The collaboration with Studios Architecture as the architect and Shawmut as the General Contractor resulted in a space that not only reflects modern design principles but also enhances the functionality of the office environment.

Architect: Studios Architecture  
General Contractor: Shawmut Design & Construction  
Product: Modernfold Acousti-Clear

In Shawmut's New York City Office, Acousti-Clear's Stylish Design Harmoniously Fits.

The fabricated panels, standing at 8'2" with a thickness of 4.06" and a 10 lb hanging weight, showcase a perfect balance of form and function. The glass wall system boasts an optimal acoustical rating of 45 STC, providing a soundproof environment that allows multiple parties to convene on each side of the partition without interference.
