

# Highlights from Construction Links Network - December 7, 2023

*The latest news, blogs and videos for the construction and building industry.*

SUNDRE, ALBERTA, CANADA,  
December 7, 2023 /EINPresswire.com/  
-- Construction Links Network is a unique news platform where members "Get More Eyes" on their digital content and increasing their SEO.

The network includes thousands of Canadian construction managers, contractors, developers, building managers, property managers, architects, designers, engineers, government officials and more.

Members use this platform to share and onboard their digital content including news releases, company announcements, blogs, podcasts, webinars, case studies, whitepapers, videos and more.

The top video is courtesy of British Columbia Construction Association (BCCA). Watch and learn more about the only construction mentorship program serving all of BC's construction industry. Funded by the Government of Canada's Canadian Apprenticeship Strategy, Building Builders is free and filled with valuable benefits for mentors and mentees because it's built by construction industry experts.
