Veterans for America First aka Veterans for Trump has endorsed CJ Pearson for Georgia state house 125 special election said Stan Fitzgerald VFAF President

ATLANTA, GA, USA, January 22, 2024 /EINPresswire.com/ -- From the press room of L-Strategies - the official press of VFAF [Veterans for Trump](#) grassroots national

VFAF Veterans for Trump has issued an endorsement of CJ Pearson for Georgia state house 125 special election.

A product of Grovetown, GA and Evans High School graduate, CJ Pearson is a conservative activist, political commentator, and currently serves as the National Co-Chair of the

Republican National Committee Youth Advisory Council. Pearson is recognized as one of the leading conservative voices among Generation Z and has garnered a national following, inspiring millions of Americans young and old. His work has been featured by a range of national publications and outlets including Fox News, The New York Post, USA Today, TIME, and more. Ever since the 2nd grade, CJ has held an interest in politics, having closely followed the drama and excitement surrounding the 2008 Presidential Election and even casting his vote for John McCain in his class's presidential mock election. Following the 2008 election, the 2nd grader underwent a thoughtful period of self-discovery, which ultimately resulted in his political worldview sharply diverging from the progressive household in which he lived. The ideals and principles of limited government, fiscal conservatism, and economic opportunity sparked a fiery passion within him – even at an incredibly young age - and he's been fighting for them ever since.
