At the forefront of this magnificent gathering was organizer Lexye Aversa with His Highness Prince Mario-Max Schaumburg-Lippe, who co-emceed the event. The German Prince added a layer of royal allure to the festivities. The luncheon did kick off with a red carpet reception and boutique at 11:30 am, featuring the enchanting melodies of Cecilia Roy and the artistic performances of Ballet Palm Beach.

The luncheon itself was a feast for the senses, accompanied by wine and stellar performances. An X-Factor Romania winner, did serenade guests, enhancing the ambiance as models showcase the latest couture by Odalys Marino. This blend of music, fashion, and philanthropy promises to make the luncheon a memorable event for all who attend.

At the grand gala this year, "A Safe Haven for Newborns" was proud to honor Barbara and Jack Nicklaus as its 2023 Grand Honorees. The couple's philanthropic efforts, particularly through Miami Children's Hospital, have been instrumental in supporting the organization's life-saving mission. Founder Nick Silverio's dedication to saving babies and aiding pregnant girls has transformed thousands of lives, with the organization being recognized by figures as eminent as the Pope for its humanitarian achievements.
