Settler's Junction is gearing up to host its inaugural Field of Honor event this June, in celebration of Flag Day. This unique gathering will provide an opportunity for the community to come together and honor individuals through flag sponsorship. As the community eagerly awaits this special occasion, Settler's Junction invites everyone to participate in this meaningful tribute, which promises to be a memorable and impactful experience for all involved. Join us as we delve into the details of this upcoming event and explore the significance of honoring individuals through the symbolic gesture of flag sponsorship.

Sponsoring and dedicating a flag in honor of a loved one, such as a veteran, first responder, active-duty military, fallen servicemen & women, heroes in our lives, and hometown heroes, is a powerful way to show appreciation and respect for their sacrifice and service. This gesture not only serves as a symbol of gratitude but also ensures that their legacy lives on for generations to come. By participating in this thoughtful act, you are not only honoring the individuals themselves but also recognizing the sacrifices made by all heroes who have dedicated their lives to serving others. This act fosters a sense of community support and unity while paying tribute to those who have selflessly served our country and communities. It is an opportunity to express gratitude, respect, and admiration for their commitment to duty and service.

Flag sponsorship and dedications offer a unique opportunity for individuals or businesses to show their support for an event while also receiving a tangible keepsake. At a cost of \$50, sponsors can have their flag prominently displayed throughout the duration of the event, serving as a visible symbol of their contribution. This not only provides exposure for the sponsor

but also adds to the overall decor and atmosphere of the occasion. Additionally, at the end of the event, sponsors are able to take home their flag as a memento of their participation and support. This type of sponsorship not only benefits the event organizers by offsetting costs but also allows sponsors to feel connected to and involved in the event in a meaningful way.

“

When we honor our flag, we honor what we stand for as a Nation, Freedom, Equality, Justice and Hope.”

Ronald Reagan
